# "OUR BODIES OURSELVES" . . . . SHELVED

Who would ever think that small town Ludlow would make the New York Times? Unbelievable it seems, yet in a recent controversy over "Our Bodies, Ourselves", Ludlow has made the headlines! Many tempers flared on November 22, 1977 as the Ludlow School Committee concluded that "the book" was not suitable for use in senior Child Development classes. Concerned students, parents, and teachers assembled in the L.H.S. auditorium to hear the verdict ... "the book" shall be banned from the classroom and is to be used only as a reference book under the supervision of the two teachers involved, Mrs. Miriam Patullo and Mrs. Patricia Stagnaro.

- 1. Concerned parent angrily voices opinion
- 2. Actions speak louder than words.
- Senior girls show concern over the controversial book.
- Mrs. Patullo and Mrs. Stagnaro consult with attorney Ms. Sandy Quinn before confronting the School Committee.
- 5. "The Book" in bondage.
- Mr. Tyburski answering to many angry accusations.

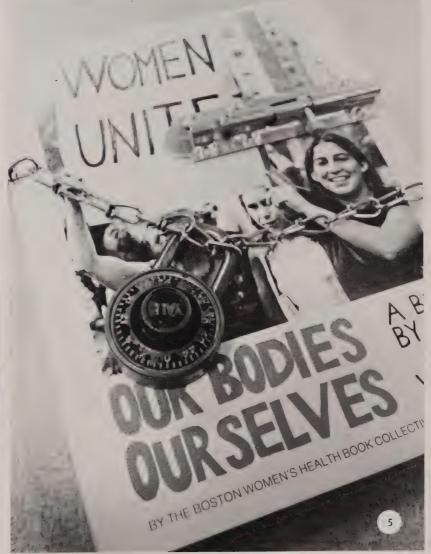

## L.H.S. MARCHING BAND ADDS COLOR TO FALL SEASON

This year the members of the L.H.S. Marching Band provided a unique approach to the usual half-time entertainment. Drum Major Bruce Hiorns and assistant David Murray under the guidance of Director Royce E. Layman led the band in performing a series of half-time shows. These shows used the new concept of adding a new routine each week to the one previously learned. By Thanksgiving, a complete show was performed including the songs "Another Opening, Another Show," "Here Comes the King," "Temptation," and "That'll Be The Day".

Contributing to the spectacular performance of the band were the Colorguard and Majorettes. Members of the Colorguard include Captain Linda Ryczek, Joanne Frenier, Laurie A. Germain, Linda Fabre, Tracy Hughes, Debbie Goodreau, Valerie Mishol, and Valerie Twarog. The Majorettes included Captain Maria Moura, Lynn Connolly, and Elaine Lewison. The combined efforts of all these groups helped to boost the spirits of both the fans and players alike.

#### Third Year For Girls Shows Improvement

### VARSITY FIELD HOCKEY

The Varsity Field Hockey team started the first day of practice with high hopes of improving past seasons' records by winning a large percent of their games. The girls, strengthened by senior captains Laura "Stosh" Gaito and Maryann LeBoeuf along with other seniors, Tammy Randall, Eva Robbins, and Terry Allen gave the team their best efforts to achieve the team's goal. Well, the girls ended their season 0-14, but can be credited for scoring four goals. The team may have lost all their games, but credit should be given to their coach, Jeri Barnes, who always gave them support and helped them to keep up a positive attitude. The students of L.H.S. should take into account that Field Hockey is fairly new and the teams are young, but the interest is rising at a steady rate and the team is looking forward to an even better season in 78-79. Some of the strong returning players are, Bernice Gero, Elaine Coache, Maryann Hoover, Cindy Brackney, and Patty Sears.

Who will gain possession first?

The girls at L.H.S. finally got a chance to share the spotlight with the boys this year when our school formed a Girls Varsity Soccer team. The team, made up of freshmen, sophomores, and juniors, ended their season 7-7-1. First year Coach, Pat Sullivan, worked with a semi-experienced team. Most of the girls played summer leagues and one girl, Lori McKay, played with the boys freshman team last year. The girls should be proud that they were successful their first year. They kept up the repu-

tation of Soccer as an outstanding sport in Ludlow and showed that they too are a part of that reputation.

## CHILD DEVELOPMENT CHRISTMAS PARTY

Do you remember when? ... when sleigh bells meant the arrival of Santa ... when a simple Christmas gift brought a bright smile to your face? On December 21 and 22, Mrs. Patullo's and Mrs. Stagnaro's Child Development classes brought back these fond memories with a child's Christmas party. The many activities included arts and crafts, a sing-a-long, and a special arrival from that jolly bearded man, Santa Claus!

- 1. "Oh boy!, cookies before dinner!"
- 2. "How long does it take to get from Ludlow to the North Pole?"
- 3."Let's get Mikey, he'll try anything!"
- 5. Two musicians playing a Christmas concert.
- 6. "Are you sure you're really Santa?"

## "CHRISTMAS AROUND THE WORLD"

On December 23, 1977, four language classes grouped together for a presentation of International Christmas plays. Students from the Spanish V, Latin IV, French V, and German III classes were the captivating performers as the plays were presented to an audience of foreign language students. The plays were directed by language teachers, Mr. Marceau, Mr. Bradshaw, Mr. Martin, and Mrs. Dumais. As these enjoyable and amusing plays commenced, all students were touched by that jolly christmas spirit.

- 5. "Boy, do you look terrible in the morning!!"

## **SKATE FOR '78**

Due to the high cost of producing the yearbook, this year's staff discovered a new way of "rolling in the dough" . . . roller skating! This fund raiser was a tremendous success as students: skated, collided, and bumped at the United Skates of America in Chicopee. Many students found themselves on the floor more often than on their feet and yet, a good time was had by all.

- Must be tough to skate without these!
   "O.K. Jill, calm down!"

- "If I fall, we all fall!"
   "What do you mean, once is not enough?"
   Larry needs a helping hand.
   "Ohl, I just got gacked!"
   "Point me to the nearest Roller Derby!"

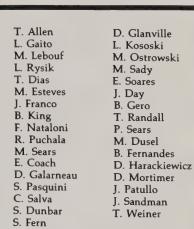

## "MAROON KEY"

Among the many organizations at L.H.S., one popular club is Maroon Key. Some thirty-three members made up the club membership this year. A basketball game was held in March to help raise money for trophies for the senior athletes. Cheerleaders, teachers, and Maroon Key members participated in the game. President of Maroon Key was Tony M. Dias, Vice President, Larry Kososki, and Treasurer, Darcy Galarneau.

## "FREE FALL"

During the fall of 1977, Ludlow students and faculty were entertained by a rock concert assembly featuring the Navy band, Freefall. This three man group, including one drummer and two keyboard players, came from Rhode Island to play the concert.

# LHS CHOIRS HEIGHTEN CHRISTMAS SPIRIT

The L.H.S. choirs added their special touch to the Christmas season when they performed their annual Christmas Choral Concert on December 21, 1977. Under the combined direction of Mr. Gregory Wrinn and student teacher, Miss Holly Joy Warner, the concert choir, girls' chorus, chorale and freshman chorus performed a variety of Christmas literature ranging in style from the classical Vivaldi's "Gloria" to the ever popular "Winter Wonderland". This year for the first time, a member of the concert choir, Jay Dias '78, had the opportunity to conduct his original choral composition "Off a rose synge we" which was well received by the audience. All the choral groups worked especially hard to prepare this Christmas concert, and the audience left with renewed Christmas spirit.

#### Young Team Has Impressive Season

#### GIRLS' VARSITY BASKETBALL

Coach "D" sets game strategy

Game wrap up

The Varsity Basketball team took on a few changes in their 78 season. New coach Phil Dalessio was basically working with a young team. Coach "D's" team, composed mainly of sophomores, was led by returning veteran players Terry Allen and Darcy Galarneau. These two seniors were the backbone of the team. Darcy, known as the "quarterback" in the back court worked smoothly to set Terry up for more than half of the 319 points she earned to break the school's record for total points in one season. Terry also ended up leader in total points in the Valley Wheel with 218. We can't overlook though, the other starters on the team who were also main contributors. Denise Lavoie's impressive defense along with Pat Wilson's, Tracy Papuga's and Brenda Robbins' quick layups added to the teams semi-successful season. The girls ended with a 5-14 season.

But I can wish you,

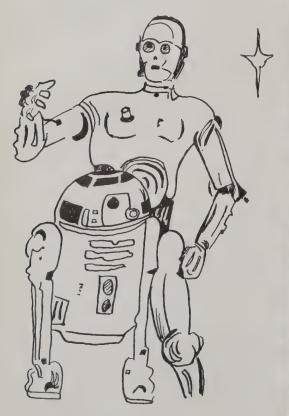

"Close Encounters for the First Time?!?" Sounds like the title of a popular outerspace movie, but actually it was the theme of the 1978 Booster Day Dance. This dance was indeed the "first encounter" between many students, for finally the lack of activities ban was lifted. The dance was held February 10, 1978 and a local band "Timberlake" played the tunes as both Seniors and underclassmen shared many "Encounters."

#### "SIMPLE DREAMS"

"Simple Dreams" was the theme of the 1978 Junior Prom. Held at the Chez Josef, on the evening of May 26, the Prom was anything but simple. With chandeliers blazing, and a fountain in the lobby, every girl felt like Cinderella with Prince Charming as her escort. Dancing to the melo tunes of Sounds Unlimited, L.H.S. students could forget school and curfews for the evening, and allow themselves to be carried away by the mood of the evening. Chosen as Prom Queen was Robin Castinguay, with Ann Colepetro Janet Jarvis, Barbara Daehne, and Linda Robinson as her court.

Laughter, love, friendly faces,

#### DISTRICT AND ALL-STATE **MUSICIANS**

Every year the Massachusetts Music Educators Association holds auditions open to all high school musicians in Western Massachusetts. After rigorous auditions 24 Ludlow High School musicians were chosen to participate in the District Festival. The festival provides a variety of performing mediums including chorus, band, orchestra, and jazzrock ensemble. These groups give each of their members the opportunity to perform challenging music with prominent high school musicians, and to gain a greater appreciation of the expanding world of music literature.

The students receiving the highest ratings in the District competition were chosen to audition for All-State. Only those with superior ratings, including six Ludlow High School students, were selected to perform in the All-State Festival. This year the District and All-State festivals were held at the University of Massachusetts. The District and All-State participants from Ludlow brought great honor to both their school and their town.

Practice teacher Thomas Heim sensitively conducted the Concert Band in the "Air and Bouree" by Handel. The Wind Ensemble conducted by Royce E. Layman, was made up of specially selected students from the symphony band. They gave a dazzling performance of Shostakovich's "Finale of Symphony No 5", and Nelhybel's "Trittico". All the organizations were combined to perform the march "His Honor". A great deal of credit is not only due to the band students but also the conductors Royce E. Layman and Thomas Heim who dedicated so much of their time to make the Ludlow High School band Concert such an enjoyable experience for the students and the audience.

A special group of people who assisted Mr. Layman and the band throughout the year were the band officers. President Mike Slepecki, Vice President Judy Day, and Sec-Treasurer Elaine Saloio provided leadership for the band throughout the year.

The Concert Choir ended this fine evening with a very intense selection of music. The group sang the increasingly popular "Chichester Psalms" by Bernstein. Featured in this selection were soloists Elaine Saloio, Cindy Simpson, Jay Dias, and boy soloist Peter Snyder. The Concert Choir also performed the beautiful "How Lovely is Thy Dwelling Place" by Brahms. Soloist Bob Fernandes had the audience entranced when he sang the "Turtle Dove", by Vaughn Williams. #### STUDENT ADVISORY COMMITTEE

Due to this year's teacher's contract dispute, the need for communication between the Ludlow School Committee and student body was realized. This "communication gap" was narrowed by the Student Advisory Committee, whose major purpose was to represent students' views on various subjects.

This year's committee effected several major accomplishments, including a set schedule for a final exam week which brought greater ease to students. The Committee also helped to organize a Computer Programming course which will be a valuable service in the continuing education of students.

## SENIOR ART

A "wild and crazy" bunch of students?! Could be none other than those seniors participating in Senior Art. These 15 seniors, under the direction of Mr. Burns, all have one common interest ... art! Many of these students have plans of furthering their artistic skills through college education. Ludlow has helped these artists build creativity as demonstrated in the "body casting" scenes on this page.

## **CHEERLEADERS**

Although much of the spirit at L.H.S. was dampened by lack of activities, the cheerleaders revived much of our enthusiasm with their smiles and spirit. Spirits soared at the pep assembly held in the fall to honor all sporting teams. With Mrs. Mirium Patullo as their advisor, the cheerleaders held many successful sports award evenings. The officers of the squads are as follows: Varsity- Captain, S. Boudreau, Cocaptain, S. Lind, Secretary, N. Sarlan. Junior Varsity- Captain, J. Patullo, Co-captain, L. Cameron, Secretary, K. Hill. The Ski Club attended five night time excursions to Mount Tom, a local ski area where members participated in ski lessons and recreational skiing. ## IN MEMORY ---

Robert J. Costa

Death is never easily accepted, especially when it takes one so young and spirited. "Perhaps, however, the real tragedy lies in our own fear and sorrow, in our own unwillingness to accept the fact that many things still are inevitable, and that we have only to pick up ourselves and carry on ... Let this not sadden or frighten us — but strengthen us to live and to learn from him,

whose life, no matter how short, has touched each of ours."

1974 Lion Yearbook

It is not growing like a tree In bulk, doth make man better be; Or standing long an oak, three hundred year, To fall a log at last, dry, bald, and sear; A lily of a day Is fairer in May Although it fall, and die that night; It was the plant and flower of light. In small proportions we just beauties see, And in small measures life may perfect be. Ben Jonson

#### VARSITY SOFTBALL

The Varsity team this year was composed mainly of seniors. To be exact there were eight, Donna Costa, Maryann LeBoeuf, Linda Ryczek, Cheryl Salva, and captains, Laura Gaito, Darcy Galarneau, Judy Day and Terry Allen. The "78" season for the team started and ended very successful. We had hopes of becoming Valley Wheel Champs and in a sense were for threefourths of the season. Then we were faced with stiffer competition. The team was confident though, behind pitchers Judy Day and Denise Lavoie and hitters Darcy Galarneau, Ann Reid, And Nancy Sarlan. The Games lost in this second half of the season were mostly close games and the ones won were well deserved victories. The season ended 13-6 overall and 8-4 for second place in the league. Coach Sullivan is looking forward to a winning season next year with the returning players.

## GREASED SENIORS RULE THE DAY

On December 23, 1977 reminiscing Seniors turned back the clock to the "rocking 50's" with the traditional Greaser Day. Leather jackets, ponytails, bobby socks, ruby red lipstick, and slicked D.A.'s were the major scene at L.H.S. Seniors proved that to many, those past days were really "Happy Days" when a rowdy sock hop was held in that ever so famous (and ever so messy) Senior Lounge.

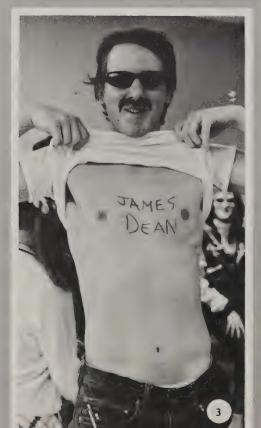

- 1. Jeff flexing itll
- 2. Three students, or three stooges?
- 3. A local celebrity flaunting
  4. Let's bolt to the Bungalow!!
- 5. Mr. C., you ain't getting me into Internal Suspension!!
- Frank as always a bit too crazy!
   "Hey Baby Cakes, hows come I don't know your name??"
   "Hey you guys, the camera's over here."
- 9. No matter where Larry is, he's surrounded by girls?!?

  10. A dignified greaser.

  11. "Hey Dude, going my way?"

  12. A serious intellect??

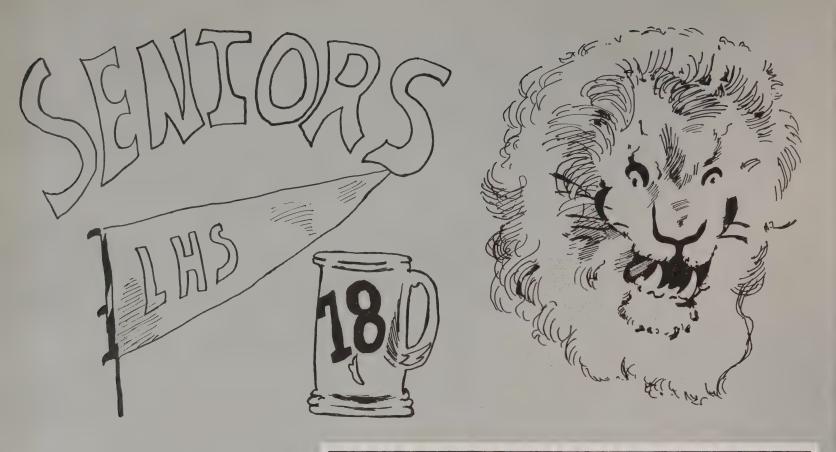

This year's Senior Class, the Class of 1978, faced many problems and a bleak fall, void of any activities. Problems seemed to surmount as the year went by due to conflicts created by the teacher contract dispute. Yet, through all this time and all those problems, the Class of 1978 seemed to pull together and stay unified as one.

In the beginning of January, things began to look up for the seniors. The Ludlow teachers finally signed a contract and with this came the hopes, yes hopes, that finally activities would begin and there would be a Senior Show.

This year's Senior Show entitled, "If They Could See Us Now" was held on March 17 and 18 at 7:30 p.m. and was a huge success, selling out both nights. The title could not have been more appropriate for the Seniors proved they could accomplish all that they had set out to do. The Class of '78 would certainly not allow "minor setbacks to hold it back" bringing much truth to the words, "If They Could See Us Now" . . .

If they could see us now,
We're off to hit new heights,

During the weeks before the Senior show, Seniors began preparations for a snow sculpture. Seniors enthusiatically began the construction of a massive snow creation but plans were soon halted due to adverse weather conditions. But who could forget all those snow ball fights?!! Or one could explain all those bottles hidden under the snow?!?

On March 17, Seniors added to the gaiety brought about by the Senior Show when they held a "dress up" day in which seniors donned dresses, suitjackets and ties paraded about the cafeteria and Senior lounge chanting the class song, "If They Could See Us Now".

#### All made-up and performing in the big spotlights!!

- 2. "Look at me, I'm Pretty!!"
- 3. Two seniors exchanging conversation
- 4. "Such a Merry Party"
- 5. Heidi and Frank, student co-ordinators

At 7:30 p.m. when the curtain finally opened, our class came to realize that the long hours and tedious rehearsals were all worth it. Through these times, there were so many people who helped us whom we will never forget. Senior Show coordinators Frank Nataloni and Heide Stroshine filled us with laughter and help to smooth over the rough times. And who could forget the show's directors Mr. Jim Martin and Mr. Jerome Linehan. For through all their shouts of "Spare Me" and "Stay in Character", we knew "Jim" and "Rome" would never board the bus to Agawam for only 13¢.

We have tried to capture through these pictures some of the fond memories and times that will forever remain in the hearts of the Class of 1978 ......

## "CLASS NIGHT"

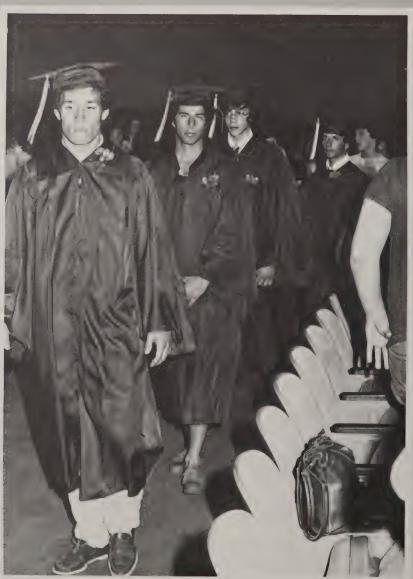

On the evening of May 28, seniors filed into the auditorium to participate in the traditional Class Night. Class Night Oration was delivered by Michele Patnode, and the Address of Welcome by Jim Patullo. The Invocation was delivered by Lisa Palatino Smith. Mr. Hurley presented the Class to Dr. James Tierney, who delivered the Class Night Address. Awards and Scholarships were presented to many graduates.

"Kiss today good-bye,

And point me toward Tomorrow.

# SENIOR BANQUET

One event which was exclusively for seniors this year was the Senior Banquet. The Polish Club was hopping and bobbing on May 30th, with the band "Twelfth of Never" leading the seniors in polkas, disco and slow dances. Senior class advisors Mr. Larivee, Mr. Casagrande, and Mrs. Roy attended the banquet, and enjoyed dancing with the students, and also received gifts of appreciation from the graduating class. During the band's break, Jay Dias helped the class reminisce while he pounded out tunes of the senior show on the piano. Some acts were repeated, and afterwards all seniors joined hands and sang the theme songs of the Senior Show.

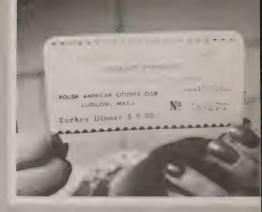

Wish me luck, the same to you.

Won't forget, Can't regret.

## What I did for Love,

## What I did for Love,

## What I did for Love Man.

"Are you going to Scarborough Fair?
Parsley, Sage, Rosemary and Thyme ...
Remember me to one who lives there,
She once was a true love of mine ....

To these words the Class of 1978 entered the L.H.S. auditorium for the final time. On May 31, 1978 the traditional Senior Assembly was given by the junior class as a farewell to the outgoing Seniors. The Assembly was an effort to capture some of the fond memories held by the Class of "78. A surprise performance by the worms brought laughter to the Seniors, and a song by L.H.S. teachers entitled, "KIDS" brought tears to their eyes as Seniors realized their time at Ludlow High School was coming to a close.

Farewell Ludlow High School, for you have given us memories and friends we will never forget

## Gone ...

## Love is never gone ...

On the evening of June 1, Commencement Exercises began for the Class of 1978. For the first time in many years, the traditional ceremony was held at the Eastern States Coliseum. At 7:30, Seniors entered the Coliseum to the music of "Pomp and Circumstance."

Several speeches were given in honor of the graduating Class. Among these included speeches by Laura Letourneau, the Class Valedictorian, Principal John J. Hurley, Superintendent of Schools Dr. Tierney, and Mr. Tyburski, Head of the Ludlow School Committee.

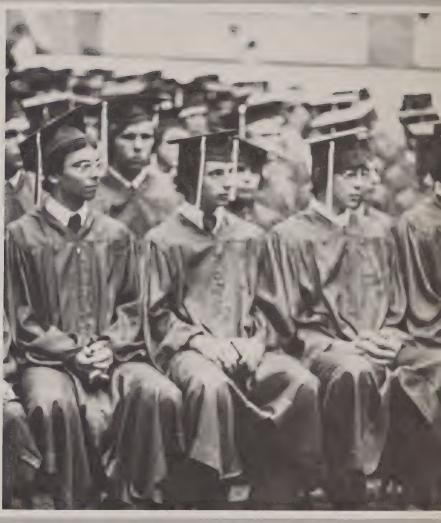

President of the Senior Class, James Patullo, gave a farewell address to his fellow classmates, for this was the last time the Class of 1978 would be assembled in its entirety. As the newly graduated Class left the Coliseum, tears of sadness and happiness were shed. For the Class of '78 had endured and experienced much this year. With their schoolbooks, homework and old locker combinations, they were leaving behind many memories and friends which they held dear.

As we travel on,

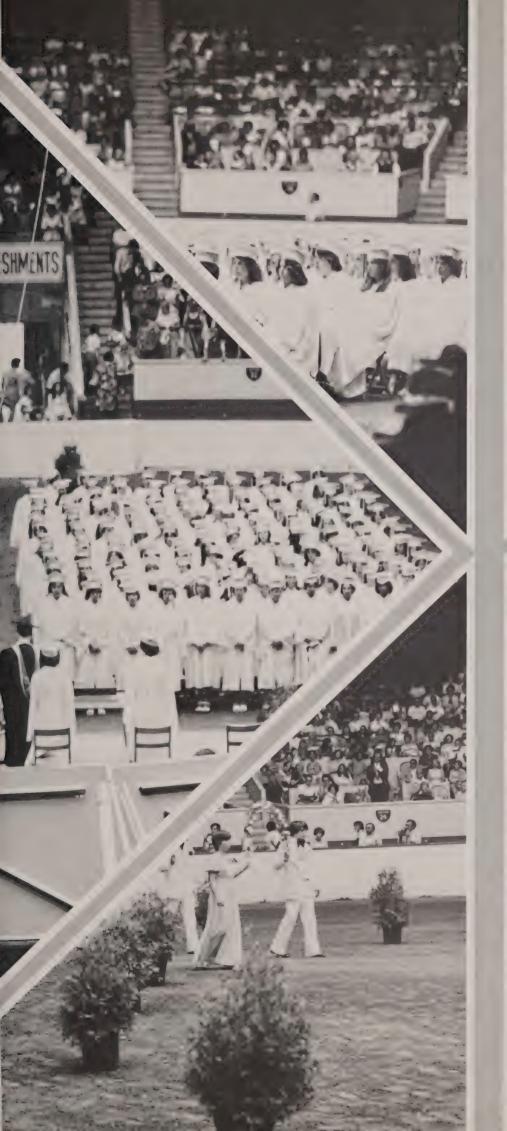

Love's what we'll remember ...

# SENIOR CLASS OFFICERS

Through the hardships and good times of senior year, the Class of 1978 had tremendous help through four people — the class officers. These dedicated four worked together to help make our senior year memorable. For this, the Class of 1978 would like to express their deepest thanks to Jimmy, Lisa, Karen and Gail-
